

IT 3010

TRANSFORMERS BOARD

Description IT 3010 is an additional board for DXT 3000 Voice Alarm system to be used only in combination with IE 3008 interlink board. Thanks to its six line transformers, it is helpful in all those installations where audio signal may be affected by high noises along system's units connections. Moreover, it offers the possibility to connect DXT 3000 units using both removable screw terminals and RJ 45 plugs, improving installation efficiency and flexibility.
